

2017 SPRING DRIVE

Project 680

It is time for our spring drive to collect supplies for our homeless students in the school district. From March 6 through April 7 we'll collect some of the most-needed items according to the Liaison for Homeless Services. We invite your household, friends, business, church, or organization to get involved by donating underwear and socks, or dreaming up another way to support the cause. This is a grassroots volunteer effort, so we love to see the imagination and creativity of the community come alive – especially among kids. This year, we are also accepting gift cards for local eateries for our High School students that are living in shelters (\$10, Subway, Burger King, McDonald's, etc.). As well, we always accept full size hygiene products and hooded sweaters.

Socks – All sizes

Underwear – All sizes (boxers and boxer briefs are preferred for males)

Drop-Off:

You can drop off any donations to City Hall in Rancho Cordova or a few different locations listed on our facebook page (project680.org). We can also accept checks and cash donations through our non-profit 501c3 sponsor. Checks can be made payable to "Cordova Community Council" with a "Project 680" in the memo.

For More Information – contact us at our facebook page (project680.org)
